WORK EXPERIENCE

JESTICO + WHILES

2021 - 2023 (During Part 1 Study)

- Engaged in conversations and improved communication, presentation and problem-solving skills through mentoring, meetings and the completion of multiple design briefs, including a community garden in East London.

5th STUDIO

Jun 2019

- Supported architects by completing foam massing for a proposed design project, providing a visual presentation of different design iterations.

PEER GALLERY

Assistant & Ambassador 2018 - 2019

- Oversaw different exhibitions and artwork
- Helped curate group exhibition for Open House 2019 "Open House Open Door".
- Helped create the activity stall "Slime Bath" for children at the Shoreditch Festival.
- Engaged in other community projects, such as repainting fencing for the elderly community.

SUMMARY

I am a reliable, adaptable designer interested in creating thoughtful, detailed architecture that balances modern ideas with traditional design. I work through freehand drawing, iterative sketching and careful site research, always guided by meaningful community engagement. I thrive in collaborative, fast-paced studios and am eager to contribute to thoughtful and innovative projects.
